In view of the fact that Government in their Order No. L. 1248-51—V.P. 27-27-16, dated 15th Agust 1929, have directed among other things, that "full control in regard to sanitation in the villages in the Village Panchayet area will vest in the Sanitary Board," the Board are of opinion.

(i) that the Government be moved to declare that the order of 9th June 1902, authorising the Jodidar to levy license fees (not less than those prescribed in the Sanitary Board Bye-laws) for shops in Andersonpet area on the ground that he had undertaken to look after the sanitation of the area, be considered as having ceased to operate with effect from 28th February 1928; and that the Board may be authorised to take over direct charge of the sanitary administration of the area.

& (ii) that the Jodidar's Accounts may be scrutinised on the above basis and he be allowed out of his actual total collections, only ground rent to which he is entitled as the proprietor of the land, as also the expenditure he had incurred since 28th February 1928, on the sanitation staff employed by him in the area.

B. Having regard to the circumstance that Andersonpet is enjoying substantially the same amenities as Robertsonpet, in the matter of light, water, market facilities, etc., and is growing in importance, the Board would go a step further and recommend that Andersonpet (including the Government and the Jodi area) be specifically excepted from the operation of the Village Panchayet Regulation and be brought under the full direct administration of the Sanitary Board, as in the case of Robertsonpet, with similar rates of taxation.
